Dear Mr. Allred and Mr. Iani:

This letter confirms telephone discussions held October 11, 2001, between Steve Allred and Assistant Secretary Roberson concerning extension of the October 12, 2001, Pit 9 dispute resolution deadline. It was agreed that the October 10, 2001, letter to Allred and to Iani meets the October 21, 2001, deliverable, i.e. the schedule and cost basis to enable DOE to meet the objective of Stage II. As was discussed, DOE requests that the dispute resolution be extended to November 30, 2001 to complete the FFA/CO revisions.

Sincerely,

  
Warren E. Bergholz, Jr.  
Acting Manager
