Dear Ms. Hain:

On June 21, 2011, the Idaho Department of Environmental Quality (DEQ) received the request from the U.S. Department of Energy (DOE) to include the Mass Detonation Area (MDA) and the Test Area North (TAN) Radioactive Parts Service and Storage Area (RPSSA) with the list of structures to be decommissioned pursuant to the *Action Memorandum for General Decommissioning Activities under the Idaho Cleanup Project (DOE/ID-11293, Revision 1, January 2009)*. This letter documents concurrence from the Idaho DEQ to add the following sites to the scope of the General Decommissioning Action Memorandum: The MDA and the TAN RPSSA. If you have any questions, please contact me at (208) 373- 0492.

Sincerely,
