Dear Mr. Shaw:

On November 7, 2011, the U.S. Environmental Protection Agency received the request for concurrence for inclusion of the Accelerated Retrieval Project structures with the list of structures to be decommissioned pursuant to the Action Memorandum for General Decommissioning Activities under the Idaho Cleanup Program. EPA has completed our review and we concur with this request. If you have any questions, please contact me at (509)376-8631.

Sincerely,
