RE: Waste Area Group 3, OU 3-13 Group 2 Soils Beneath CPP-601 and CPP-602 Deferred
Action Remedy

Dear Ms. Hain:

The Idaho Department of Environmental Quality (DEQ) has received your letter dated February 15, 2012 regarding the *Final Removal Action Report for CPP-601, CPP-602, CPP-627, CPP-630 and CPP-640* (DOE/ID-11453).

DEQ concurs that this report is final and that it documents the implementation of the deferred action remedy selected by the OU 3-13 Record of Decision (ROD) (as modified by the OU 3-14 ROD) for the Group 2 soil sites beneath CPP-601 and 602 (CPP-86, CPP-117 which encompasses CPP-87, CPP-118, CPP-119, CPP-120, CPP-121, CPP-122, and CPP-123). DEQ also concurs that no further action is required for these CERCLA sites other than institutional controls as implemented for the OU 3-14 Industrial Use Area.

Please contact me at (208)373-0230 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Pete Johansen".

Pete Johansen, P.E.
Waste Management and Remediation Division
